Greetings Southwinds Residents,

At a Board of Directors meeting held on 12/14/2021 a unanimous vote by the Board to ban the following vendor from the Southwinds campus due to previous issues:

Roth Mobile Detailing.

The Board requests that you not make appointments with the vendor for car cleaning on the SW campus from this point on. If you currently have an agreement for future services with this vendor, please either cancel or make arrangements for this service off campus. This vendor is not welcome on site and these types of services should not be performed at Southwinds. The guards have been instructed to not allow admittance to Southwinds by this vendor.

Thank you,
Southwinds Board of Directors
